Sanction was accorded in Government Order No P
3919-24 dated 13-1-1945 to the grant of 3899 sq
yards of land in the Kumara Park area to the members
of the Badaganadu Sangha for the construction of a
hostel, subject to certain conditions. The members
of the Sangha have requested that the site may be
given ^{over} to their possession. The Engineer Officer of
the City Improvement Trust Board has also requested
that a sketch of the site may be sent to him, as the
measurements noted cannot be identified.

16 From the blue print received, it is seen that
the site allotted to the Sangha is marked D E G H

and it is said to measure 3889 Sq Yards

17 But from ^X the tracing received from the Engineer
Officer, Bangalore City Improvement Trust Board who
is in charge of the extension now, it is seen that the
layout is completely changed and the allotted site has
now been split up into eight sites viz, 28, 29, 38,
39, 40, 41, 42 and 43. The total measurement of these
sites is said to be 556 Sq yards less than that of the
site originally allotted. The layout as shown in the
tracing has not been approved by the Government as yet.
In view of this, it is for orders if the area as shown
in the blue print may not be given over to the Sangha
according to Government Order dated 13/1/45.

If this is approved, the Engineer Officer
will be intimated accordingly and the
authorities of the Sangha advised to approve
that view for obtaining possession of the land.

31) Sanction was accorded in G.O. No. P.W. 5419-24, dated 13-1-45, to the grant of a vacant site situated in front of Site Nos ~~30-31~~ ³⁰⁻³¹ measuring 3899 Sq. Yards in the Kumara Park to the Badaganadu Sangha for the construction of a Hostel.

32) The members of the Sangha requested that the above site may be given over to their possession. Thereupon a report was called for from the Engineer Officer.

33) In his letter dated 27-4-45, the Engineer Officer has reported that the original layout of the Kumara Park has been remodelled and as a result a small portion of land reserved for the Badaganadu Sangha was made use of for the formation of roads, etc. He has therefore recommended that Site Nos 32-37 lying to the west of Sri Mahalakshmi temple, measuring 3844 Sq. Yards may be allotted for the construction of the Badaganadu Sangha ^{Hostel} and ~~Hostel~~ as the Sangha is agreeable to accept area of 3844/5 Sq. Yards in lieu of the old ones.

34) A drawing is accordingly put in for orders.

The Engineer Officer to the J. Prov.

21/7/84 of 76-45-

Calls for the above information

From the Engineer officer, P & Board
673 of 14-6-45
states that the new site selected from
the Badaganadi Sangha Hostel in the
Kumara Park Extension, is suitable for
the purpose as the area of the new
site recommended by him equals
approximately the area of the site
originally granted by Govt as
indicated in the accompanying plan
and suggests as an alternative that the
Sangha may be granted a site in the
Dhanbadhi area.

The plan furnished by the Engineer
officer shows that the old and the
new sites proposed to be granted to the
Sangha are situated on either side of the
Mahalakshmi temple in the Kumara Park area.
The Engineer officer is of opinion that the
new site selected is suitable for the
construction of a Hostel Building.

1) The Engineer officer has not
answered the question as to why the original
site with such additions as may be
necessary be given away for the construction
of the hostel.

(2) Kind reference is invited to the
plan according to which the site originally
granted to the Sangha proposed to be granted to the Sangha.

A

be almost side by side except
for the ^{underlying} Mahalakshmi temple site. The
area now proposed to be given equals
approximately the area of the site already
sanctioned by the Govt.

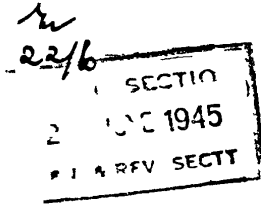

49) The land is said to be suitable for
the construction of a hostel building.
The Engineer when however considers
that the Kumbakonam Extension which is
a residential area is not fit for
locating a student hostel as there is
no decent ground for students to play
games near at hand. He suggests that
the hostels may be built in the area
adjacent to the Aharanambakam tank & that
if a proposal is approved, he would submit

50) Mr. Sufferan would mean the putting off
indefinitely the grant of the land to the
Badagumudi temple which has been handed
over to the Govt long ago. In the case, the
definite grant of the land to the Engineer when will
be called for.

from the Engineer Officer to S Board

no 219, dated 27-6-45

states that the original site which has been
reduced by 555 sq. yards is quite ample and
suitable for the construction of a hotel though no
addition is possible, as a result of the modified
lay out

55) The Engineer Officer considers the original site as
suitable for the construction of a hotel, though the
same has been reduced by 555 sq. yard

56) Refer paras 41 to 44 supra

57) Kind refer is invited to the

about the location of the site already
granted to the Badaganadu Sangha
in the 13 1-1945 and that X
proposed to be given in exchange

in lieu of the one sanctioned owing to the change in the layout of the area. The area sanctioned measured 3899 sq yds. But owing to the remodeling, it has become reduced to 3333 sq yds (B) or about 566 sq yds less than originally sanctioned. The Engineer-in-Chief has suggested to provide site no. A measuring 3844 sq yds.

Subsequently, the Sd/- has stated that the original site itself, though reduced as it is, is quite adequate for the construction of the hostel. It is, after all, a free gift & the Saugha cannot demand anything. In the circumstances, the proposal of the Engineer-in-Chief to give away site no. A need not be approved. He may be informed that the Saugha may be asked to accept the original site also.

OFFICE OF

Sir

Site for the construction of Badaganadu Sangha Hostel
in Kumara Park

With reference to your letter No L-10389 dated 18th April 1945 calling for a report in regard to the action taken in handing over possession of the land to the Badaganadu Sangha, I have the honour to state as follows

Government approved the grant of vacant site situated in front of site Nos 31-32 (as per old plan) measuring 3899 Syds to Badaganadu Sangha in G O No P W 3919-24 dated 13th January 1945 But I was not in possession of the sketch showing the location of sites when the G O was received by me and so I had to carry on correspondence with the Executive Engineer, Buildings Division, Bangalore as the Officer-in-charge of Kumara Park Extension before it was transferred to the Trust Board. In the meantime the layout as proposed by the Executive Engineer, Buildings Division, was remodelled and as a result a small portion of land reserved for the Badaganadu Sangha was made use of for the formation of roads etc. Subsequently, the President on behalf of the Managing Committee of the Badaganadu Sangha called on me and he discussed with me the desirability of having a new place allotted to the Sangha in view of the above changes made in the layout and it was agreed that site Nos 32-37 (shown in the New Plan) lying to the West of the Site granted for the construction of Sri Mahalakshmi Temple be recommended to be granted to the Sangha. The site Nos 32-37 enclose a total area of 4400 syds

But Srimati Girija Bai of Mahalakshmi Temple in her petition dated 7th February 1945 addressed to the Secretary to Government, P W D. has prayed for the grant of an additional stretch of land measuring 25' x 200' free of cost and this bit comprises an area of 556 syds. This petition was referred to me for remarks in Law Secretary's No L-8880 dated 8-3-45 and my opinion was submitted to Government in this office No 346 dated 14-3-45. Government have since approved the grant of the strip of land she has asked for in G O No L-10491-4-M-157-44-81 dated 23rd April 1945 and therefore the area available for the Badaganadu Sangha in site Nos 32-37 will be only 3844 syds, (4400 - 556) which is 556 syds less than what the Sangha was granted in G O No P W 3919-24 dated 13th January 1945. The Sangha are agreeable to accept this area of 3844 syds in lieu of the old

With reference to the correspondence
ending with ~~the office~~ letter no 524 dated
27-4-45, requesting orders of Govt on
Your proposal to hand over ^{the} possession of
the new sites bearing Nos 32-34 in the
Kumara park ^{area} for the construction of the
Badaganachan Sangha Hostel I am directed
to state that only a portion of the site
originally granted to the above Sangha has
been converted to some other purpose
I am to enquire whether the new site is
suitable for the construction of a hostel

building and whether such a Hotel if
constructed would not interfere with the general
lay-out of the locality.

It may also be kindly examined and ^{it} ~~the~~
whether the major portion of the original land
(with such addition as may be necessary or
possible) cannot be given away ~~to the Govt~~
to the Sangha for the construction of the Hotel
instead of the raising of an altogether new site.

Site for Badaganadu Sangha Hostel in Kumara Park

With reference to your letter No L-11784 dated 7-6-45 enquiring whether the new site selected for the Badaganadu Sangha Hostel is suitable for the construction of a Hostel building, I have the honour to reply in the affirmative as the area of the new site recommended by me equals approximately the area of the site originally sanctioned by Government. I am enclosing a copy of the plan indicating the position of the old and the new sites which happen to be on either side of the Mahalakshmi Temple, for ready reference showing the area enclosed by each stretch of land

However, I wish to submit for consideration of Government a few points concerning certain general aspects for locating sites for Student's Hostels. It is desirable to see that Hostels are a bit removed from residential areas. As matters stand at present, the Central College Hostel, the Veerasaiva, Vaisya and Wesleyan Mission Hostels are all located remote from residential buildings. They are also in more airy localities. The Kumara Park Extension is intended to provide housing facilities for families and as such it does not offer any decent ground for Students to play games near at hand which is an essential adjunct to a Student's Home

Further, the granting of a site for the Badaganadu Sangha Hostel is sure to be followed by similar applications from other communities. In fact there is already an application received from the Halenadu Karnataka Sangha. I understand that the City Municipality is contemplating construction of a Hostel somewhere in Mavally. I may say here in parenthesis that the Mavally area cannot be sewerred and for this reason alone the place has to be rejected. All these show that there is a growing demand for Hostels for the teeming Student population and it may be rightly anticipated that requests are likely to be received for grant of sites for some more Hostels

Taking all these aspects into consideration I am of opinion that the area lying South of the site selected for the Ayurvedic College and lying along the new road proposed to be constructed from the Ayurvedic College site to join the Kempegowda Road is eminently suitable for Hostel buildings. A row of imposing architecture along this road will be most impressive to look at from the side of the City Railway Station. Besides, the location of a number of Hostels in one locality will develop ^{an} esprit de corps among the resident student community and the adjacent Dharmambudi Tank Bed is an ideal playground for Students to indulge in games

P T O

The area beside the Ayurvedic College Building under construction is now presenting an ugly appearance and my proposal to have an array of beautiful buildings in continuation has the merit of remedying this defect also.

If my above proposal is acceptable to Government, the question of granting a site to Badaganadu Sangha Hostel in Kumara Park may kindly be deferred, and if called upon, I will be submitting detailed plans and sketches in this connection for a fuller appreciation of my proposal

Re Form of agreement

I have the honour to state that Government having in their order No L-1401-6/11 85-45-22 dated 28-8-45 finally approved the grant of the original site itself with reduced dimensions in Kumara Park Extension to the Badaganadu Sangha for the construction of a Students' Hostel, the Sangha have now requested me to give possession of the site to them. An agreement has got to be executed as directed in G O No P W 3919-24 dated 20-8-1945 and a draft agreement form is prepared incorporating the conditions laid down in G O No 20 L-12432-9-11-157-44-98 dated 22nd June 1945 in connection with the sale of site to Mr M R Rajagopal Naidu but which apply mutatis mutandis to the above case also.

As the agreement involves legal phraseology I request that sanction of Government may kindly be obtained for the proposed draft agreement form in consultation with the Law Officers of Government if necessary and communicated to me early for taking further action in the matter.

We are herein enclosing draft agreement which on approval, the concerned Office Bearers of the Badaganadu Sangha will execute in your favour on the requisite stamp paper. We must be to represent that in the circumstances, it may not be possible for us to complete the structure within one year from now. We undertake, however, not merely to commence it within the said period, as was originally required of us in G O No FV 2919-24 D Bangalore, 13-1-45, but also to complete construction worth 25,000/- to 30,000/- within a period of one year from the date of taking possession of site. We have ventured to omit the word "Alienate" in clause 3 and substituted therefor the word "deal with". We remain grantees and trustees in regard to user of the land for a particular purpose. It appears best to avoid other implications which the word "alienate" may tend to import or connote in law.

Enclosure No 2

Sir,

With reference to G O No L-1401-6/11-85-45-22 dated 28th August 1945 granting a site free of cost to the Badaganadu Sangha, Bangalore, I have the honour to state that the office bearers of the Sangha represent that the draft agreement received with your letter No L-3157 dated 17th October 1945 contains conditions which are some what at variance with the conditions of the grant specified in G O No P W 3991-24 dated 13-1-45. They think that the use of the word 'alienate' in the agreement is inappropriate when used in connection with a grant which does not confer on the Grantee full ownership. They also point out that condition 2 of the draft requiring the completion of the construction of the Hostel within one year from the date of the Government Order of August 1945 is not capable of strict fulfilment as already nearly three months have elapsed and as their present intention is to limit the outlay to Rs 30,000/- with the ultimate object of completing the building at a cost of Rs 75,000/-. They represent that this condition ~~that this condition~~ is not in conformity with the Government order of January 1945 which merely requires them to commence the construction within one year from the date of the order. They have accordingly submitted a revised draft of the agreement which I believe to be in order. Their letter No 1416/45 dated 20-11-45 enclosing the draft of agreement prepared by them is sent herewith in original for the approval of the Government in consultation with the Advocate-General.
